AGREEMENT

When used herein the consignor shall include any person entering an animal or animals in any sale conducted herein, including the owner or his agent signing the reverse side of this agreement; and Mid Atlantic Breeders Sale LLC shall be referred to as MABS.

By entering an animal or animals in any sale conducted by MABS, the consignor or his agent signing the reverse side of this agreement, the consignor does thereby agree to the following terms and conditions.

The consignor agrees that all animals shall be at the place of sale in proper time, delivered free of expense to MABS. The consignor agrees that after having consigned stock to the sale of MABS, he will not dispose of it by private sale, either prior or during the progress of sale. He also agrees that no animal will be withdrawn from the sale, except in case of injury or sickness, subsequent to the time of entry of sale, sufficient in nature to prevent realizing a fair price, and in case of withdraw of an animal without the consent of this company, a \$400 withdrawal fee will be charged.

Consignor shall notify MABS within 24 hours if the horse develops a serious injury or serious disease after consignment which impairs its suitability for sale. Upon such occurrence, consignor shall make the request for withdrawal in writing as soon as practical after the onset of the condition and consignor determines that the horse is not suitable for sale. Consignor shall provide an affidavit of a licensed veterinarian which (1) states the date the animal was first examined for the condition, (2) specifically identifies the condition of the animal, and (3) states an opinion to a reasonable degree of scientific and medical certainty that the animal is suffering from serious injury or serious disease which renders the horse unfit for transportation and sale. Consignor shall submit the request for withdrawal and veterinarian affidavit to MABS not later than 24 hours prior to commencement of sale session.

The animals consigned to the MABS are entirely at the risk of the consignor until sold and fully paid for. The consignor is the responsible party, MABS acting only as the agent. Consignor warrants title of each animal (including foals and foals in utero) free of any liens or encumbrances and agrees to defend title against all claims. Consignor warrants all information set forth herein regarding pedigrees, identity, engagements, etc. Consignor warrants that no animal is suffering from any contagious disease or is unsafe or vicious, will be sent to the sale. Consignor acknowledges that consignor is solely responsible for all information provided herein. Consignor agrees to indemnify and hold MABS harmless from all costs, claims and expenses incurred because of question to title, pedigree, physical condition, identity, engagements or resulting from claims against the animal or proceeds from the sale.

The registration certificate of each animal listed as registered must be furnished with a clear title of ownership by the consignor. The consignor authorizes MABS to act on his agent in the transfer of the registration certificate.

The consignor agrees that he will be present in person, or have a duly authorized representative present, to make true representations respecting each animal. In disputed cases involving the soundness of an animal or statement by consignor, MABS will have the sole right to appoint an expert who shall decide the point at issue. The decision of the expert, and no other, shall be binding on both seller and buyer, and if the consignor is decided in wrong, he agrees to pay the examination fee, and that in case the animal is refused by a bidder on account of misrepresentation of the consignor, and the refusal is sustained by the referee, he will pay the full commission.

MABS disclaims responsibility for errors and/or omissions by consignors or their agents and/or omissions in catalog.

All horses must have a current health certificate, negative Coggins test along with flu and rhino shots to enter the PA Farm Show Complex.
