Welcome to the 22nd Annual Mid-Atlantic Morgan Horse Sale

We are excited to have you join us in 2026! If you're looking for that perfect horse, talk to consignors and agents, and ask questions. The only dumb question is the one you didn't ask. Be sure to check out the quality horses in our 4- & 5-Year Old Gelding Showcase. Thank you for attending, and we hope you enjoy the sale!

Horse Health Requirements: All horses must have a negative Coggins test within 6 months of the sale (AGID test will allow entry into Canada) and a health chart within 30 days of the sale. All bred mares must have a veterinary certificate within 30 days of the sale stating that the mare is in foal. Flu and rhino shots are required to be administered and documented before the sale. Any buyer of a bred mare who is uncertain of her being bred must have her vet checked by the sale vet before she leaves the grounds. If she is bred the cost of checking will be paid by the buyer. If not, it will be paid by the seller. **Hay, Straw, and Feed:** Hay and straw will be available to purchase at market prices. Under the terms of the Farm Show Building, no shavings are allowed.

Registrations: All consignments to the Mid-Atlantic Morgan Horse Sale, LLC are required to be registered. The sale requires that all original registrations and transfers be in place or applied for with the American Morgan Horse Association before the animal goes into the sale ring. Catalog number of horse is sale number. **Buyers:** All sales are final. The seller guarantees the identity of each animal as it appears on the registration certificate. All horses will be transferred to the person indicated on the sales slip. Cost to transfer ownership of the consignments to new owners will be deducted from the sale proceeds. Title passes at the fall of the auctioneer's hammer, at which time all risk and responsibility for the horse passes to the buyer.

Terms: All consignments must have a new halter and lead rope, otherwise the sale committee will supply one and charge the seller for the cost. No horse will be allowed to leave the barns without a checkout slip indicating full payment. All horses must be removed from the barns by midnight Wednesday evening, the last day of the sale. All sellers are responsible for their horses up until the time that the gavel falls, after which the buyer is in full responsibility. The sale committee of the Mid-Atlantic Morgan Horse Sale, LLC reserves the right to reject any horses for any reason including but not limited to: Unsoundness, poor condition, and improper documentation of registration or health papers.

Fees & Commissions: Consignment fee: \$175 (due with form). Commission: 8% (\$250 min, all sales above \$10,000 will be 2%). No sale: No sales and buy back are the same commission rate of 8%.

Sales Tax: Horses sold are subject to the 6% Pennsylvania sales tax. This tax must be paid by the buyer in addition to the purchase price, unless the sale of the horse qualified for exemption under the rules and regulations of the Pennsylvania Department of Revenue and the buyer furnishes the sale certificates of exemption in the form approved by the Department of Revenue. Exemption forms with instructions will be available in the sales office and may be executed by the buyer at time of settlement.

Buyer's Payment: Buyer shall pay for the horse(s) prior to the conclusion of the sale by one or more of the following means: cash, approved personal check (with letter from bank guaranteeing payment), money order, cashier's check, traveler's check or credit card (VISA/Mastercard, 3% buyer's premium to be added to total purchase price). US funds only. Checks are to be made payable to Mid-Atlantic Morgan Horse Sale. A \$75 service charge on all bad checks (NSF, Stop Payment, etc.).

Warranties: Ages, heights, markings and physical conditions are approximated and not guaranteed. It is the responsibility and obligation of the buyer to examine the horse before he bids, as all sales will be final. In case typographical errors or other errors are discovered, the auctioneer will announce them, which will take precedence over the printed catalog. Buyers are therefore cautioned to pay attention to the auctioneer's announcements.

Guarantees: No guarantees whatsoever, expressed or implied, are made by the sale committee, the auctioneers, pedigree readers, bid spotters, or anyone associated with the Mid-Atlantic Morgan Horse Sale, LLC as to title, quality, unsoundness or soundness of any consignments. Presentations given in writing by the consignor to the sale committee will be announced at the time of sale as though by the consignor. Any claims made based upon said presentations, guarantees, or omissions, shall be made against the consignor only and not the sale committee or any persons related to the sale. Seller's statements of soundness or unsoundness will be announced at the sale.

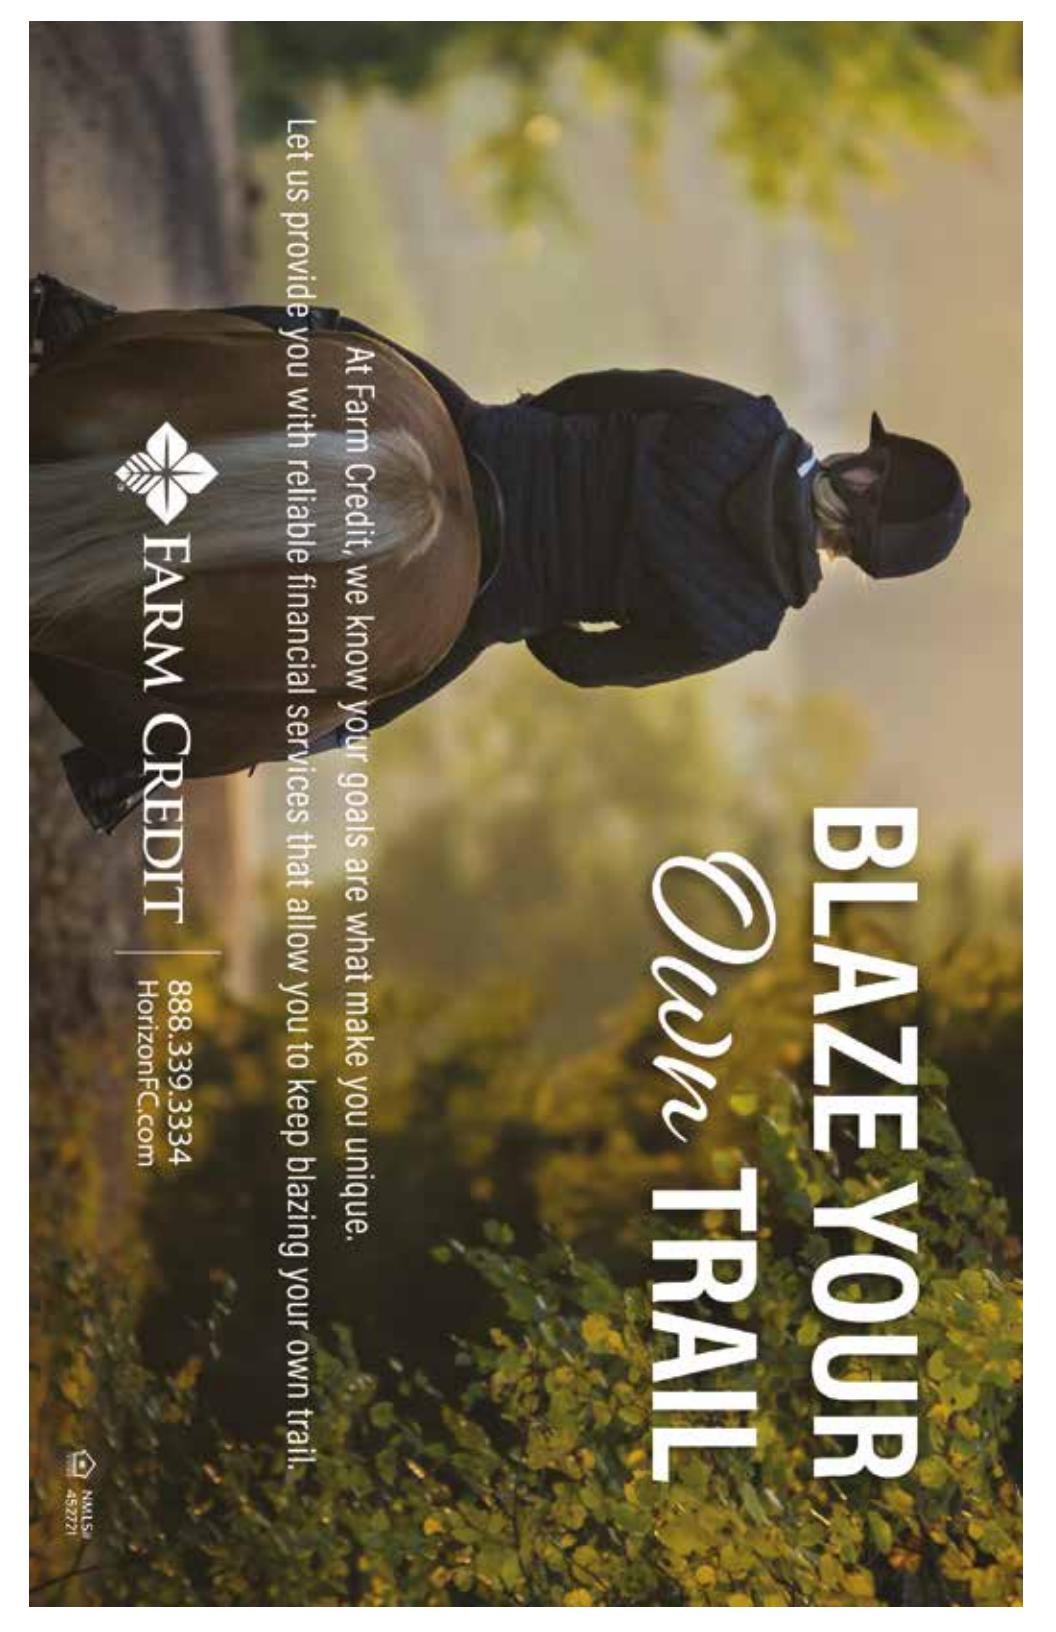

Liabilities: Everyone is urged to use caution and care while attending the sale. The Mid-Atlantic Morgan Horse Sale, LLC, all members of the committee, and all those associated with the sale in any way shall not be liable for any injuries sustained by anyone attending the sale, and all parties entering the grounds where the sale is held do so at their own risk and further agree that the organization responsible for the sale is hereby released from any liability or responsibility for any injuries sustained by them during the attendance of the sale and its related activities from any case whatsoever.

LOCATION OF SALE

The sale will be held at the PA facility known as The Pennsylvania Farm Show Complex. This facility is located at the corner of Cameron and McClay streets in Harrisburg, PA (at 2300 N. Cameron St.). It is located on the east side of the Susquehanna River. Exit I-81 at Exit 23 which is also Rt. #22.

**ALL HORSES MUST BE REMOVED FROM THE PA FARM
COMPLEX BY MIDNIGHT, WEDNESDAY the 21st.**

GELDING SHOWCASE

2026

BACK BY POPULARITY in 2026!

Four- and Five-Year-Old Gelding Showcase!

This is a perfect opportunity for buyers to check out these outstanding young geldings in harness. We encourage you to ask questions of the owners or agents if you have specific interests you'd like to see in your next equine partner.

Most of these owners have raised and handled these horses since birth, from show prospects to family horses, to riding companions, and more.

To quickly pick out these Showcase geldings, look for the star next to their listings in the catalog, and on their stall door sheets. They are also wearing leather halters with name plates.

We'll have a Tuesday & Wednesday previews to see these geldings and hear their updates.

SPECIAL SEMINAR:

“Building Your Breeding Program”

2026

*10:00 AM Tuesday Morning, featuring
Al Davison - Derawnda Morgan Farms
Gerald Yoder - Morningstar Morgan Farm
Earl Yoder - Sand Ridge Stables*

We are pleased and excited to bring you this special educational event this year! Bring your questions and hear what these successful breeders have to share about thriving in the carriage, sport horse, or show horse world. This expert panel will help you define your goals in language that we all understand—

Desirable traits:

- Head carriage
- Athletic ability
- Driving temperament
- Hock action
- Strong back ends
- Deep bodies
 - > to carry foals
 - > to allow room for lungs
- Morgan prettiness & type
- Bone structure
- Durability
- Trainability

Choosing your crosses:

- Learning how to look at stallions
- Strong front ends with rolling movement
- Powerful athletic bodies
- Shoulder & neck shapes
- Temperament
- Endurance

Pedigrees and how different bloodlines have influenced the industry.

Question & Answer Session

Including a brief discussion on foal care, from babies to the training barn.

PERMANENTLY CHANGE HISTORY

Morgans are part of
a rich history,
dating back to 1789.

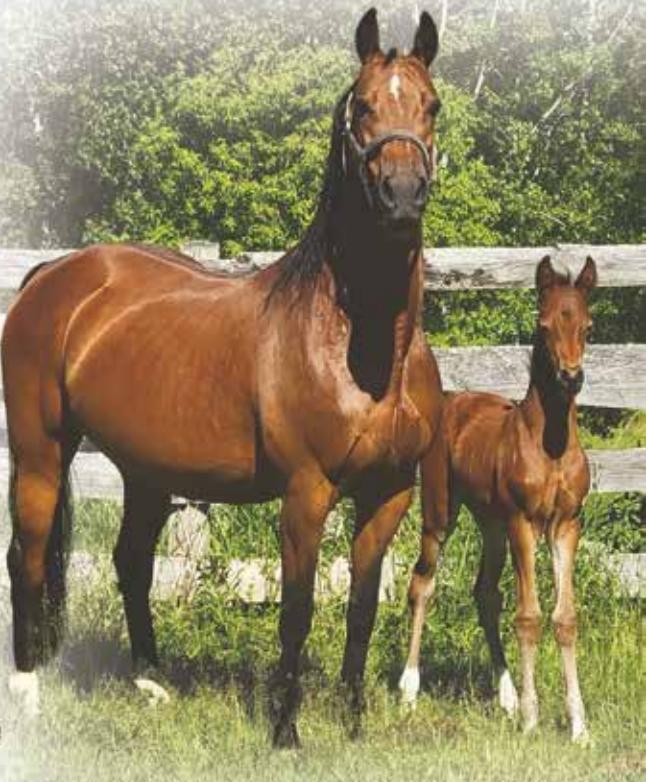

Today and tomorrow,
they will give us joy, laughter,
and show us tireless effort...

...from trail rides through
the hills and mountains,
to their first blue ribbon...

...like Morgans have
been doing for centuries.
But they can't do it alone.

We encourage you to keep that
history alive and strong,
well into the next century.

Register your Morgans
and make them part
of history. And the future
of this great breed.

3 Point Hitch Harrow

3'-12' available

Ideal tool for mini-till or conventional tillage. Used by farmers, produce growers, landscapers and food plot preparation.

8' Handy Harrow

S-tines in front of baskets to do more with one pass.
8' and 10' models have 2 sections for flexibility on uneven ground.

NEW!

Available in
4', 5', 6', 8' or
10' width.

Also available with one
horse tongue

Foot Pedal Steering Mini Harrow

Works great along plastic rows. Foot pedal steers rear basket, which allows closer harrowing to plastic. Standard sizes: 30" and 36".

Garden Harrow

3', 4' and 5' wide. A nice load for a driving horse or small tractor.

Basket Harrow Model 512

S-tines remain in upright position at any depth but also can be tilted back for leveler seed bed, or to unclog harrow. 4' and 5' sections for up to 16'.

Work Sled For all season use on gravel and soil as well as in snow. Give your horses a good workout while in training or sale prepping and doing chores around farm or ranch or in the woods.

Call or write for your nearest dealer, or for free brochure of all our equipment, including:

Plow Packers • Rolling Basket Packers • 3 pt. hitch harrows • Horse hitches and yokes

Hot! Fancy! And serious about her job. We made the decision to sell her, though I wanted to keep her for my personal horse, but don't have enough work for her. She's a low mileage horse and any boy's dream. Traffic safe & sound. If she ever drops her head when working, you'll have gotten her very tired!

Soreness

Colic???

CellAide Enema Oil for my Belgian stallion that was down with colic. He had a lot of discomfort.

and was down and rolling around. We gave him 8oz CellAide Enema Oil in the rectum. Within 15 minutes he began passing excessive amounts of gas and after 30 minutes he had a bowel movement.

Within 45 minutes he was running around and you wouldn't have known, there was anything wrong with him before.

Breeding

* Thanks to CellAide Enema Oil, it is a difference maker for use during breeding season, while mares are in heat. This is the second year in a row that we got all our mares in foal. Last year there were 12 mares and this year there is 11 mares, and all are in foal. - Arthur IL
